Hi Tett,

They will go out via registered mail tomorrow. And I also have an award for Eric from PCGS that arrived here Saturday. I'll include that as well.

I got a call from Marsha today. She and Bill are attending a convention next door at the Ritz Carlton here on the island. Laurie and I will be joining them for lunch tomorrow. He is "working" and she is playing. She loves the beach and may not return to St Louis!

Bob
